I, the undersigned, agree to comply with all applicable codes, statutes, and ordinances and with the conditions of this permit; understand that the issuance of the permit creates no legal liability, express or implied, on the municipality; and certify that all information provided is accurate. All work performed associated with this permit shall be my responsibility when it comes to ensuring compliance. Any plans, specifications, or other written information supplied to the department at time of application is conditionally approved upon the issuance of this permit. It is further understood that the department must verify compliance at various stages of construction by performing inspections. Said inspections must be scheduled a minimum of two business days (48 hours) in advance. Construction shall not proceed until approved by the department.
